## Area 1 Rail replacement works

### Where?

Taking place:  
**Hillsborough to Middlewood**

### When?

Planned works from:  
**26th May to 15th June**

## What's happening to trams and buses in Area 1?

Work will take place to replace worn out track from Middlewood P&R and along Middlewood Road to around the area of the bowling green in Hillsborough Park. This is part of the Rail Replacement Project being managed by the South Yorkshire Passenger Transport Executive.

During these works, the Yellow route trams will be diverted to Malin Bridge. The information in this leaflet will let you know what is happening to trams, tram replacement buses and also what tickets are valid where. These works are essential in ensuring that trams can operate for years to come and we would like to apologise for any inconvenience you may experience.

## Tram service information

### ● Yellow route services

The Yellow route service **will operate between Meadowhall Interchange and Malin Bridge** with a normal timetable between Meadowhall and Hillsborough. Please check online at [supertram.com](http://supertram.com) for yellow route departure times from Malin Bridge.

### ● Blue route services

During these works, **a normal Blue route will operate** between Halfway and Malin Bridge.

### ● Purple route services

During these works, **a normal Purple route will operate** between Herdings Park and Cathedral (Meadowhall on Sundays).

# AREA 1 WORKS: 26th MAY – 15th JUNE

## Trams will operate

BLUE ROUTE

Halfway to Malin Bridge

YELLOW ROUTE

Meadowhall to Malin Bridge

PURPLE ROUTE

Herdings Park to Cathedral\*

\* Meadowhall on Sundays

## Tram replacement buses

Y1 BUS

Hillsborough Interchange to Middlewood\*

SL1/a

Extended to Hillsborough via Worrall Road†

\* from 29th May

† from 26th May

## Middlewood Park & Ride

Please note: Middlewood P&R will be *closed between the 26th May and 31st May* whilst work takes place at this site.

## Connecting between buses and trams

We have designed our timetables so that trams, Y1 and SL1/a buses connect at Hillsborough Interchange. However, a number of factors can affect this. Replacement buses in particular can sometimes experience unexpected delays as a result of traffic. We build a buffer into our bus timetables to allow for this but as the impact of traffic delays can vary from day to day, we can only apologise for any delays you may experience as this is outside of our control.

At quieter times of day, some bus services in particular can arrive earlier than intended and you may find that you just miss a connecting service. However the service you might have just missed won't usually be the one you were planned to connect with.

We understand that missing a connection in any circumstances can be frustrating however we regret that we are unable to hold services to wait for other services, due to the knock on effect this can have for other customers and other services elsewhere on the network.

# 2018 RAIL REPLACEMENT PROJECT

## RAIL REPLACEMENT BUS SERVICE

Due to road closures on Middlewood Road the Y1 bus service can only operate between the 29th May until the end of the Area 1 works on the 15th June. The Y1 will take a circular route from Hillsborough Interchange along Dykes Hall Road, Worrall Road and Stockarth Lane to Middlewood, returning along Middlewood Road.

The Y1 will stop on Middlewood Road at Marion Road bus stop from 29th - 31st May, due to the closure of Middlewood Park & Ride.

From 1st of June until the planned finish of the works on 15th June, the Y1 will stop in Middlewood Park & Ride.

The Stagecoach SL1/a service to Stocksbridge will operate from Hillsborough Interchange via Dykes Hall Road and Worrall Road. Tram only and Park & Ride tickets will be valid on the SL1/a between Hillsborough Interchange and Worrall Road/ Langsett Avenue bus stops.

## AREA 1 WORKS: 26th MAY – 15th JUNE

### Where do I buy my ticket?

If you're starting your journey on a tram, you can buy your ticket as normal from our on board conductor. If you start your journey on a rail replacement bus, you can buy your ticket from the driver. At some bus stops we will also have conductors at the stop, particularly at peak times. In this case, please buy your ticket from the conductor as this will help avoid a long wait at the bus stop when the bus arrives.

Usual Supertram fares and conditions apply to all journeys on replacement bus services. The table below shows which tickets are valid where;

Stagecoach ticket type	Valid on trams	Valid on tram replacement buses	Valid on normal Stagecoach buses
Tram Only Dayrider or Megarider	✓	✓	SL1/a Hillsborough - Worrall Road/ Langsett Avenue only
Bus Only Dayrider or Megarider	✗	✗	✓
Bus & tram Dayrider or Megarider	✓	✓	✓
Tram Only Single	✓	✓	SL1/a Hillsborough - Worrall Road/ Langsett Avenue only
CityBus	✗	✗	✓
CityWide	✓	✓	✓
GetAbout	✓	✓	✓
Park & Ride	✓	✓	SL1/a Hillsborough - Worrall Road/ Langsett Avenue only

### Where is the latest information?

## Area 1 Rail replacement works

**Where?**

Taking place:  
**Hillsborough to Middlewood**

**When?**

Planned works from:  
**26th May to 15th June**

The SL1/a will operate through to Hillsborough Interchange via Worrall Road and Dykes Hall Road.

Middlewood and Leppings Lane will not have any services between 26th May and 28th May due to the closure of Middlewood Road.

From 29th May the Y1 tram replacement bus service will also operate between Hillsborough Interchange and Middlewood travelling in a clockwise circle; out along Dykes Hall Road and Worrall Road then returning along Middlewood Road.
